Honorable Prime Minister of India

Respected Shri Modi Ji,

DD Sindhi Channel

It was a honor to meet you at the 'Pravasi Bhartiya Divas' on the 8th of January 15.

I have tremendous respect for you, similar to the respect and love you have for our Sindhi Community. If you recollect I mentioned to you the speech you gave at the Ahmedabad Sindhi Sammelan in 2010.

At the PBD Gandhinagar, I handed over a letter requesting you for a 24 hour DD Sindhi Channel. This is the desire of Sindhis in India and around the globe.

You personally accepted the letter [enclosed] and assured me that you would look into it. Our community along with myself are awaiting a reply from you.

I kindly request you to acknowledge the same.

In the letter I have also asked you to kindly give us an appointment with yourself where prominent members and leaders of our Sindhi community can present this most important issue in person to you.

We look forward to meeting you at the earliest.

With Warm Regards,

Asha Chand

Honorable Prime Minister of India

Respected Shri Modi Ji,

It was the Hindu-Sindhi community of India who bore the worst brunt of the partition of India, sportingly as a sacrifice to our cherished Independence.

Since year 2007 for the past 7 years, this Hindu-Sindhi community has been waiting in wings and living on hope for their long standing and fully-justified demand for a Doordarshan Sindhi Channel. We have moved every pillar and turned every stone possible for over 7 years but indecisiveness of previous government prevailed and we could get nowhere.

Community has repeatedly submitted to your ministry our demands with highly credible justifications.

In addition to many-a-meeting with various senior officers of I&B Ministry, Community also repeatedly met the various I&B ministers all of whom appeared very sympathetic to our case, as per following schedule:

24/11/2007 Letter to Mr. Priya Ranjandas Munshi
02/09/2008 Met CEO of DD Mr. B. S. Lalli
22/12/2008 Letter to Anand Sharma 24/02/2009 Met Anand Sharma
31/01/2011 Mr. Manmohan Singh 14/02/2012 Mrs. Ambika Soni
07/08/2012 Mr. Manmohan Singh with Mr. L K Advani and Ram Jethmalani
10/07/2014 Mr. Prakash Javedkar
11/11/2014 Ms, Sushma Swaraj In Dubai
16/11/2014 Could speak for minutes with Mr. Arun Jaitley Ji about in his office

Now you as Prime Minister, at the helm of the affairs of the Nation with a team of experienced and expeditious Ministers in charge of I&B ministry and other important spheres, hopes of community are high again.

You mentioned in your speech at Ahemdabad in International Sindhi Sammelan 2011 that "one who is able to sustain his mother tongue, lifestyle, traditional costumes in the world, has the power to put a life in it once again."
You have spent lot of time with Sindhis in Ahemedabad and had lovely food of Sindhis, know the problem of Sindhis not speaking in Sindhi. The only way to reverse this situation is through TELEVISION Channel.

May I earnestly request your kind early review of this issue that has become by far the most critical issue for the very survival of Sindhi language and culture. I also request the favor of an early appointment with yourself where members of Sindhi community can present this vital issue in person for your kind perusal.

With Warm Regards,

Asha Chand
(General Secretary)
